Putting Love into Practice

Love consists of sharing what one has and what one is with those one loves.

Love ought to show itself in deeds more than in words. *-Ignatius of Loyola*

LIVE STREAMING Mass and other services (including weddings and funeral masses) are live streamed from our churches on <https://www.mcnmedia.tv/camera/st-paul-s> and <https://mcnmedia.tv/camera/buttlerstown> and www.stpaulschurch.ie. There is also a continuous live stream from the churches during the day, so that the parish can extend its reach to those who cannot visit the church. This may mean that your image will be broadcast on those websites, in particular, if you are on or near the sanctuary or sit in the first three rows of the middle aisle. If you do not wish your image to be captured in this way, please sit in another area of the church. If you have concerns, please contact us.

Making a Difference

(Mark 9:38-43, 45, 47-48)

There's a certain definiteness in the gospel today. Like a team going on a field to win. We are either with Jesus or against him, and this is proved in our way of life. Following Jesus does not necessarily mean being different from others. It means throwing ourselves into the everyday life and needs of people and giving what we can.

It comes out also in public life. We can make our voices heard about issues which deeply effect others, like respecting and protecting life, like ensuring we care for our children in fact as well as in law, legislating wisely about marriage, in how we legislate for the care of our elderly. We may work to free our country from the effects of addiction with drugs and alcohol.

Jesus is asking for a definite way of life and of wanting to make a difference. Faith is more than assent of the mind, but a way of life and of trust – a way of life in not hindering others, but helping with compassion and good deeds. Our way of life is a sharing of faith one to another – *"Faith is passed on by contact, from one person to another, just as one candle is lighted from another"* – Pope Francis.
