keep our hopes alive.  
Help us to remember

and after the bitterness of defeat  
comes a new beginning.  
Keep our hopes alive

## Christ is alive!

For fifty years we have been celebrating this great Feast of Easter in St. Paul's and for almost 200 years in Butlerstown! It is this Feast which is the very reason for our existence as a faith communities - that Christ is alive. The whole Church, as well as every local Church and parish, is founded on this wonderful truth - Christ is alive!

This Living Lord has been our Companion on our journey and will walk with us into the years that lie ahead. Let us walk with God, all the way to his Kingdom!

With warm greetings for a very happy Easter in this the year of St. Paul's Golden Jubilee and with immense gratitude for your constant support of your Parish.

*Sr. de Lourdes, Fr. Pat*

*And The Members of St Paul's and Butlerstown Parish Councils*

May the glory and the promise  
of this joyous time of year  
bring peace  
and happiness to you  
and those you hold most dear.  
And may Christ,  
Our Risen Savior,  
always be there by your side  
to bless you most abundantly  
and be your loving guide.

### NEW LIFE

Just as mid-winter is the ideal time to celebrate the coming of Christ, the Light of the World, into our darkness, so Easter is celebrated at the height of spring when nature conspires to teach us the message of the feast.

Winter has passed. Summer is tapping at the window. Nature, stripped naked and shivering in arctic coldness, is dressing herself in her spring finery. The dull greys and browns of the landscape change to greens and yellows and whites. The warm sun begins to steal back hours from its enemy, the dark. The seeds and buds that lay stiff and cold in the frozen embrace of death, now spring to life again and proclaim to the world, "Death is not the end. There is life after death. There was for Christ. There is for us." And we all want to cry out " Alleluia!" George Wadding

## THE EASTER PARADE

The first Easter parade was just a crowd of women going down the street where once they had sang Hosanna. Another time they had gone with him to death. Now its just themselves - two Marys, Joanna and other women. The parade was dull, without the one they followed - but they wanted to care for the body with spices, using only the best.

And then it was all different. They saw no body, which frightened them more than any death could have. Then there were angels with strange messages, but their hearts believed quickly and they remembered what he had said. Often, he had talked of death and resurrection. He was the sort of man for whom evil and death could not be final. They were then to go to the apostles, and they were to find out that caring for Christ's body now would be a different thing. The women announced this divine news to the men. This would have been contrary to the culture at the time, but Jesus went against a lot of beliefs and prejudices.

Caring for the body of Christ now means caring for each other. They would spend the rest of their lives caring for the new body of Christ, and we're the same in caring and being cared for. The risen Christ is in all of us.

We are his body. Not a word of God can be spoken without human words. God reaches us through each other.

The Easter parade now is made up of all of us following our risen Lord, following life that never dies, and the truth of the gospel that can keep us going. This is the love of the risen Lord, which is the lifeblood of the Church.
