May they Rest in Peace

A Prayer from Pope Francis

Father, I offer you this day.
I ask for light to see the right path.
I ask for freedom from worry,
fear or guilt.
I ask for wisdom and insight into
how our world needs renewal.
I ask for forgiveness when
necessary and for people
to help me along the way.
May I know that your love me and
walk the path with me.

St. Paul's Golden Jubilee Parish Clock

Dear Friends,

You will have been hearing of a plan to erect a clock in the grounds of St. Paul's Church, to be known as 'the Jubilee Clock'. It will be a landmark to our Parish Jubilee. There has been a very positive response to this proposal. Considerable work had been done on the design and planning permission has been obtained. We have produced an artist's impression of how it will look – See the QR Code above, which is also posted around the Church and Parish Centre.

From next weekend we will make available an explanatory leaflet and some envelopes, and we are offering all who would like to be associated with this project the opportunity to make a contribution. It may be that some of our families at home or abroad might like to be part of this initiative. Please consider proposing it to them or to any interested person. Donations can be made here at the Church or online through the website www.stpaulsandbutlerstown.ie (by selecting *Donate to Parish Funds*, and under *Donor Information—Add a Message - please type Jubilee Clock.*)

WORLD DAY OF THE POOR
16 November 2025

Drawing near to the poor in our midst will
touch our lives. It will remind us of what
really counts: to love God and our neighbour.
Only this lasts forever, everything else passes
away. What we invest in love remains, the
rest vanishes.

Today we might ask ourselves: 'What counts
for me in life? Where am I making my
investments?' In fleeting riches, with which
the world is never satisfied, or in the wealth
bestowed by God, who gives eternal life? This
is the choice before us: to live in order to gain
things on earth, or to give things away in
order to gain heaven. Where heaven is
concerned, what matters is not what we have,
but what we give. *Pope Francis*

THE FEET OF THE SUN

If you look at the sun in the evening, you
often see the rays of light hitting the Earth.
In Irish they are called '*cosa na*
greinne' or '*the feet of the sun*'. We can
think of them as God's feet walking along
our earth: through the poverty and the
illness of this world, through fields full of
landmines and unexploded bombs, the rays
of light take their pilgrimage from heaven
through our world, which needs the light
of God so badly.

Even in persecution the presence of God is
near. Even in betrayal and in the conflicts
that arise over the word of God and how to
live the gospel, God is near. He never
abandons his people. We can almost sum
up the message of the prophets as '*God*
does not abandon us'.

In years when the Church throughout the
world was stripped of almost all except its
relationship with Jesus, we know that
despite the faults, sins and weaknesses and
the huge need for renewal, God is near in
the word of Jesus Christ. It is in listening
to his word and interpreting it together for
today that we will find our true way
forward as his community.
